

Editor-in-Chief Message

I would like to express my sincere gratitude and deep appreciation to the esteemed reviewers, authors and editorial members for their great support and encouragement to publish the third issue of the **Journal of Advanced Sport Technology** (JAST). Today, the sport technology is growing very fast and we look forward to achieving highest scientific standard in our journal. As Editor-in Chief, and I take the responsibility of sustaining and building upon the Journal's quality and success very earnestly.

JAST aim is strive to publish the most advanced scientific articles in the realm of sport technology. We welcome you to submit original/technical manuscripts and we guarantee fast and peer-review process.

To submit a manuscript or to view the journal home page, please visit our official website and submit your manuscript.

Professor Abbas Meamarbashi, PhD

Editor-in-Chief
Journal of Advanced Sport Technology
Department of Physical Education and Sport Science,
